

Rules for Laurie's One Block Challenge

- ***Use only one pieced block pattern in your quilt.*** Laurie chose the Schoolgirl's Puzzle block pattern for her favorite block. You must use only Schoolgirl's Puzzle blocks as your pieced block. You can use as many Schoolgirl's Puzzle blocks as you want, and you can use any size block you want. You can even use different sizes of the block in the quilt, like a 4" and an 8" and a 12" block in your quilt. For the 8" finished block pattern, Go to Petite Quilts by Annette Plog blog.
- ***Use only Minick and Simpson's fabrics by Moda in the quilt.*** You can use any of her lines of fabric. You can use 1 line or all the lines in your quilt. You can also use Moda Bella Solids for lights if you want.
- ***Your quilt can be any size, large or small.***
- ***Your quilt will look better if it is quilted and bound,*** but it is not required to enter the challenge.
- ***Use any setting for your blocks.*** Alternate blocks, sashing, no sashing, etc. You get to choose but you will need to use Minick and Simpson fabrics or Bella Solids.
- ***You have 3 months to complete the quilt. It must be finished and posted to Instagram by July 31st.*** You will need to have an instagram account and you will post your finished quilt with the #laurieobc. Laurie will search that hashtag and be able to see all the quilts taking part in the challenge.
- ***Laurie will choose 3 winners in August 2018*** from those posted to Instagram. ***Moda has graciously offered to donate the 3 prize packages*** which may include precuts of Minick and Simpson fabrics, books and patterns and other goodies from Moda. Once Laurie has chosen the winners, I will announce the names of the lucky winners and get the prizes sent out.
