

Schoolgirl's Puzzle

Cutting for a 8" finished block

Light

A 3 - 3" squares for HSTs

B 2 - 2⁷/₈" squares. cut in half diagonally for 4 triangles

C 4 - 2¹/₂" squares

Red

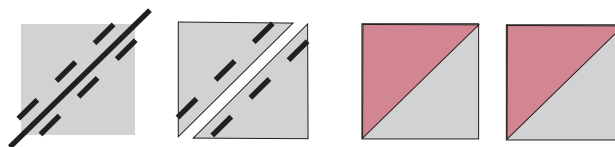

D 3 - 3" squares for HSTs

Blue

E 1 - 4⁷/₈" square, cut in half for 2 triangles

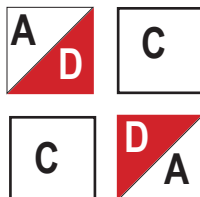

Making the HST Unit

Using light A and dark D, place squares, right sides together. Make a diagonal line on the wrong side. Sew ¹/₄" on each side of the drawn line. Cut apart on the drawn line. Press toward dark. Trim to 2¹/₂". This makes 2 HSTs. You will need 6-2¹/₂" HST units.

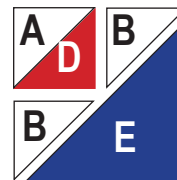

Constructing the Block

Using the drawing as a guide for placement, sew together 2 Flying Geese units and 2 squares. Repeat, creating 2 units.

Using the drawing as a guide, sew together 1 HST Units, 2 small triangles and 1 large triangle. Repeat, creating 2 units.

Sew block together referring to drawing below. Block should measure 8¹/₂" unfinished.
